Rejection of Your Terms

No terms proposed by you, whether set forth in a contract, confirmation, order, other document or other communication, will be binding on us and we hereby specifically object to and reject such terms.

Applicable Terms

If you sign the Purchase Order or otherwise agree to its terms, the Agreement will constitute the entire agreement between you and us with respect to the sale of the Goods and will supersede any prior agreements, written or oral, between you and us.

If the Purchase Order is a confirmation of a verbal agreement between you and us and you do not sign it or otherwise agree to its terms, you must notify us immediately if any provision of the Agreement does not conform to your understanding of the oral agreement. You also agree to provide us with a written objection to any unacceptable terms within ten (10) days of your receipt of the Purchase Order. If you have previously agreed to be bound by the Terms, you are not entitled to object to any of the terms and conditions set forth in the Terms and you will be bound by them even though the other terms of the Agreement were agreed upon orally and confirmed by the Purchase Order.

Your failure to return a signed copy of the Purchase Order or object to its contents will not excuse you from liability under the Agreement. If you have not already agreed to the terms and conditions of our Agreement, your delivery of goods to us will constitute your acceptance of the Agreement.

Specifications

The Goods must conform to the specifications set forth in the Agreement as supplemented by any additional specifications set forth in any documentation you provided to us; provided, however, if any additional specifications are inconsistent with those in the Purchase Order or attached to this Agreement, the inconsistent additional specifications shall be disregarded. Any such supplemental specifications are hereby incorporated by reference.

Loading and Packing

You will be responsible for all costs associated with loading and packing the goods for safe shipment.

Delivery and Risk of Loss

If delivery is not included in the price, you must select the delivery method and route that results in the lowest applicable delivery charge or, if we select a method and/or route, you must use our method and/or route. You will continue to bear the risk of loss until the Goods reach the destination specified in the Agreement.

Inspection and Testing

We may inspect and/or test the Goods for conformance to the specifications within a reasonable time after receiving the Goods. If all or any portion of the Goods fails to conform to the specifications, we may reject the entire load or lot or just the non-conforming goods. With respect to any rejected Goods, we may, at your expense and risk (i) hold the Goods for you; or (ii) return the Goods for, at our option, a full credit or refund or replacement. Any rejected Goods shall not be tendered again to us unless we have granted you permission to do so.

Any express warranties you have provided to us or promulgated generally are hereby incorporated by reference and may be enforced by us. You also warrant that the Goods (i) conform to the specifications; (ii) are merchantable; and (iii) are fit for their intended purpose. If the Goods fail to conform to the specifications or you have breached your other warranties to us and we have not rejected or revoked our acceptance of the goods, we may deduct from any unpaid balance (or be entitled to a refund for) the price of the Goods. Alternatively, we may adjust the purchase price for the Goods in accordance with prior practice and/or industry standards.

You agree to indemnify and hold us, our Affiliates, officers, directors, employees and agents harmless for and from all suits, claims, judgments, awards, losses, damages, costs or expenses (including attorney’s fees) relating to, arising out of, or caused by (i) a breach of your representations or obligations under the Agreement; or (ii) your intentional, willful or negligent acts.

We may exercise any of the other rights or remedies available to us. We may recover our reasonable attorney's fees and other litigation expenses if we prevail in any action to enforce the Agreement.

Termination for Convenience

Unless this Agreement is designated as "Not Terminable for Convenience" in the Purchase Order, we may terminate this Agreement at our convenience for any or no reason prior to the delivery of all Goods we agreed to purchase. Any such termination shall be effective as of the date specified in a written notice of termination we provide to you. If we terminate this Agreement for convenience, we will pay you for the conforming Goods delivered to us prior to the effective date of termination. If you have not provided any Goods prior to our termination for convenience, we will pay you a termination fee of \$250.00.

You also certify that you comply with all applicable anti-slavery and human trafficking laws of the country or countries in which you are doing business.

Amendments and Waivers

No amendment, modification, waiver or release of any provisions of the Agreement will be binding on us without a writing signed by our authorized representative. Our failure in any one or more instances to require the performance of any term or condition in the Agreement shall not act as a waiver of our right to insist on strict performance in the future.

Severability

If any provision of the Agreement is determined to be invalid, illegal or unenforceable, such determination shall not render the other provisions of the Agreement invalid, illegal or unenforceable.
